Yard Waste Dumpsite Agreement

To use facilities at Wandsnider Associates / Bill's Contractor Storage at: W185 N7493 Narrow Lane, Menomonee Falls, you must have a signed dumping agreement.

This is not a free site. Dump site is monitored by cameras.

I Understand and agree to the following:

#1 ALL loads must sign in.

#2 Dumping permit must be kept in your trucks.

#3 Dump in designated areas only. Stack loads. Dump back as close to piles as possible. NO mixed materials. No garbage or plastic pots, etc. mixed in. We accept only clean materials and no contaminants.

- Wood chips go on chip pile. (NO garbage)
- Brush and logs up to 15" go on brush pile. (NO chips, NO mixed items)
- Rock or construction debris will terminate dumping privileges. **These materials wreck our grinder.**
- Perennials, grass clippings, leaves and small prunings up to ½" go on perennial pile. (NO chips or brush)
- Log Pile – clean logs only (NO brush or chips)
- Topsoil, sod, stump grindings go on topsoil pile. (NO rocks or debris)
- Landfill – NOT A DUMP! Tenants Only. Clean soil, rocks, small masonry debris and gravel.
- NOT ALLOWED
 - Garbage
 - Construction debris
 - Treated wood, railroad ties
 - Plastic / pots / drain tile
 - Tires
 - Wood
 - Large concrete chunks / slabs
 - Appliances / furniture

#4 Terms

- Payment is due upon receipt of invoice. Payment not received in 10 days will revoke dumping privileges. This agreement may be revoked at any time and is valid for only the calendar year.
- **Please help us keep this site neat and organized and respect our rules. Please report any suspicious activity to the office.**
